

### 3 Year Return to Base Warranty

Congratulations on purchasing your new Personal Computer. Your computer is supplied with a 3 year return to base warranty (Parts covered for first year only, 3 years labour cover – Please contact your supplier if you wish to extend the parts cover). This warranty is not transferable. To keep our service fast and efficient and to avoid confusion please observe the following conditions:

- 1) The warranty is valid for Personal Computers located on the UK mainland only (Carriage surcharge applicable for N. Ireland, etc).
- 2) Spire Technology Ltd is liable for the cost of repair and/or replacement of defective goods only.
- 3) No liability is accepted for loss of data and /or software through mechanical or technical failure.
- 4) Adequate packaging will be required to return the Personal Computer to Spire Technology Ltd.  
**Please keep all original packaging for this purpose.**

Please note; this warranty does not cover machines found to be:

- 1) Damaged either by accident, misuse or by incorrect line voltage (surge protectors are advised).
- 2) Faulty due to improper installation of the machine and / or additional components or software.
- 3) Faulty due to unauthorised repair and / or software configuration faults.
- 4) Faulty with altered serial numbers, either internally or externally.

For support, please call 01202 810348 and quote your PC serial number.
